2021 World Day of the Sick: The 29th World Day of the Sick will be celebrated, as it is every year, on **11 February**, the memorial of Our Lady of Lourdes. The Holy See has released the Holy Father's Message which is entitled "You have but one teacher and you are all brothers" (Mt 23:8), which encourages a trust-based relationship with the sick and the nurturing of integral human healing. In his Message, Pope Francis writes: "...the commandment of love that Jesus left to his disciples is also kept in our relationship with the sick. A society is all the more human to the degree that it cares effectively for its most frail and suffering members, in a spirit of fraternal love. Let us strive to achieve this goal, so that no one will feel alone, excluded or abandoned."

Message of the Holy Father

Journée mondiale du malade 2021: La 29^e Journée mondiale du malade aura lieu **le 11 février**, mémoire de Notre-Dame de Lourdes, comme c'est le cas chaque année. Le Saint-Siège a publié le message du Saint-Père qui est intitulé « Vous n'avez qu'un seul maître et vous êtes tous frères » (Mt 23, 8), qui souligne une approche à l'égard du malade fondée sur une relation de confiance et favorisant une guérison humaine intégrale. Dans son message, le pape François écrit : « ...le commandement de l'amour que Jésus a laissé à ses disciples se réalise aussi concrètement dans la relation avec les malades. Une société est d'autant plus humaine qu'elle prend soin de ses membres fragiles et souffrants et qu'elle sait le faire avec une efficacité animée d'un amour fraternel. Tendons vers cet objectif et faisons en sorte que personne ne reste seul, que personne ne se sente exclu ni abandonné. »

Campaign Life Coalition – Documentary "Obsessed: Canada's Coercive Diplomacy": David Mulroney, former Canadian Ambassador to China and one of Canada's leading experts on Foreign affairs, and Obianuju Ekeocha, author, filmmaker and pro-life activist, who has been monitoring the global abortion agenda in Africa for almost a decade, have put together a documentary called "Obsessed: Canada's Coercive Diplomacy." This is an eye-opening dialogue on Canada's ideologically driven foreign affairs, its effects on the developing world, why Canadians should be upset and what this has to do with the Chinese Communist Party. Here what they have to say about Canada's current foreign aid program, which commits almost \$700 million annually towards expanding abortion overseas with your tax dollars.
